

# YOU'RE INVITED!

Come help us CELEBRATE TWO YEARS of making  
**AFFORDABLE, RENEWABLE, ON-DEMAND ENERGY**

At the Booker Washington Institute's  
Renewable Energy Center - Kakata, Liberia

**OPEN HOUSE - March 23, 12-2 PM**

**TRANSPORTATION & COMPLIMENTARY LUNCH PROVIDED**

RSVP - call Vincent at: +231 777 17 70 90 email: [tom@allpowerlabs.com](mailto:tom@allpowerlabs.com)

**SEE** our latest technology  
**HEAR** our challenges & triumphs  
**DISCOVER** the opportunities

A **POWER PALLET** can turn waste biomass  
like wood chips, nut shells and maize cobs  
into 20 kW of clean, carbon negative energy  
for **LESS THAN THE COST OF DIESEL**

**ALL POWER LABS**  
*Carbon Negative Power & Products*
